

Table 1: Contribution Distribution

Member	Roll Number	Responsibilities
Ketan Tripathi	BT22CSE113	• System Modeling (01_system_modeling.ipynb) • Proposed Model Development (05_proposed_model.ipynb) • Network Model Implementation (core/network_model.py) • Research Paper Introduction and Related Work Sections
Amrit Lal Saket	BT22CSE048	• Baseline Simulation (02_baseline_simulation.ipynb) • Improved Simulation (06_improved_simulation.ipynb) • Production Model Implementation (core/production_model.py) • Research Paper Methodology Section
Prabhat Kumar Prince	BT22CSE109	• Dataset Generation (03_dataset_generation.ipynb) • Comparative Analysis (07_comparative_analysis.ipynb) • Reliability Model Implementation (core/reliability_model.py) • Research Paper Results and Discussion Sections
Mehtab Singh Rathore	BT22CSE123	• Limitation Analysis (04_limitation_analysis.ipynb) • Ablation Study (08_ablation_study.ipynb) • Simulation Engine Implementation (core/simulation_engine.py) • Research Paper Conclusion and Abstract • Overall Project Coordination and LaTeX Compilation
